

More often than not, we are in AWE of the trivial instead of in AWE of the Trinity.

Scripture: Romans 11:33-36

Verse 36 clearly defines God's relationship with Creation and man.

As we explore our relationship with OUR Creator, we must examine our RESPONSIBILITIES as we discover his ABILITIES.

**1) Creating: All things are FROM him**

- a) I can make something from something else, but only God can make something, from nothing.
- b) God Inspires himself. God is his OWN muse.
- c) God takes pleasure in creating, and he instilled that in his creation.  
All life creates more life.

*Our responsibility:*

- 1) Create with Excellence
- 2) Stewardship: "Cultivate the Garden"
- 3) Give credit to the Creator.

**2) Sustaining: All Things are THROUGH him**

- a) God's relationship with his creation is ongoing.  
*"The further science digs into the heart of creation, the further they see into the heart of the Creator"* Scripture: Colossians 1:17
- b) Time itself is held together by our Creator.

*Our responsibility: Allow your Creator to sustain you.*

Scripture: Psalm 51:10-12

**3) Receiving: All things are FOR him**

- a) God MUST seek his own glory, as anything less than himself is less than perfect.
- b) Modern science has its philosophical roots in Theology.

Scripture: Psalms 19:1-2

*Our Responsibility: Employ your Imagination for his Service.*
